Reception Newsletter

In Reception this week, the children have been very busy building dens in the outdoor area. This has involved lots of problem solving, communication and cooperation. It was a brilliant opportunity to develop team working skills. The objective seemed to be to make the den as dark as possible and much stronger than the oppositions attempt. If your child likes den building at home we would love to share a photo of them in their creation.

In Literacy, we recorded some wonderful work to add to the "Marvellous me" display. The children drew themselves and were encouraged to think about what details they needed to include. They had to record a piece of writing and make sure it was clear for the reader. The children also had a reading challenge and had to match "who am I?" descriptions to a set of pirate themed pictures.

During Maths, we practised our addition skills and counted on along a number line to find a new total. We also tried to make sure our numbers were correctly formed.

During topic time we looked at seaside towns and talked about the things we might find there. We listened to seaside sounds and shared seaside stories.

Pirate Party

We have our pirate party to look forward to on Friday 15th July so look out for the invitation.

Remember it is fancy dress so time to sort out their outfit. You don't have to buy a costume. Jeans and stripy t-shirts or black, white or red clothing will be fine.

Come and speak to us if you have any questions.

Super Stars

Congratulations to Parry and Ellie J who are our stars of this week. Keep up the great work!

A big well done to Findal and Madison who were chosen to be the VIP's on Friday.

Mystery Reader

Stanley's dad came into school to be our mystery reader. The children loved the choice of stories with "Pirates love underpants" and "Who's in the Loo". Thank you for taking the time to come and read to our Reception class!

Have a great weekend!
