

Autumn Newsletter

Year 2

Dear Parents and carers,

Welcome to the new school year. I hope that everyone was able to enjoy the sunshine. In the mornings registers are taken at 9.00 but children are encouraged to be in school from 8.50 to take part in classroom activities. Children are collected from the classroom door at 3.15. We are lucky this year to be supported by Mrs Newbould.

As you know our topic this term is 'Home Sweet Home'. We will be learning about Excalibur, Alsager and the wider area. Our English work will be based around several books by leading authors such as Lynley Dodd, Julia Donaldson and Nick Butterworth. We will use these books to inspire our writing and to improve our grammatical knowledge. Throughout the term we will practise letter formation and begin to develop cursive handwriting.

In maths we will be clicking and clapping our way through the 2x, 5x and 10x tables. Please practise at home in order first and then random questions. We will secure our knowledge of place value and use this to solve problems using the four rules of number.

For maths games try these websites

www.bbc.co.uk/bitesize/ks1/maths/

<http://mathszone.co.uk/>

In science we will be identifying plants and animals as well as simple food chains. We have already explored the school grounds to see which plants and animals we can name.

Homework

MyMaths homework will be set each week which children complete online at home, passwords can be found in planners. Reading and spelling homework will be sent home on Fridays and returned the following Wednesday.

We feel that it is important for children to drink water throughout the day. Therefore, children may bring in bottles of water each day so long as the bottle has a secure lid. These should be taken home every night for washing and refilling.

Please try to make sure that all your child's clothes are clearly labelled with their name. Any lost property can then be easily identified.

PE

PE lessons are on Tuesdays and Wednesdays. Outdoor PE is on Wednesday, but we will try to go outside as much as possible on Tuesdays, weather permitting. Please ensure your child has their kit in school on the correct days. Kits should be taken home on Fridays for washing and returned the following week. Track suits may be sent in during cold weather.

'Meet the Teacher' is on Wednesday 14th September at 4.30 and I look forward to seeing you there.

If you have any queries or questions throughout the year please do not hesitate to contact me. If you are unable to come into school please use the home school planner as a means of communication.

We are going to have an exciting year and I am looking forward to meeting everyone next Wednesday.

Thank you for your support.

Yours sincerely

Mrs Weatherby
