Dear Parents/Carers,

**Excalibur's E-Safety Officers would like to invite you to our E-Safety evening on  
Wednesday 18<sup>th</sup> January, 6pm-7pm.**

The evening will begin with a short presentation by our E-Safety Officers who will show you Excalibur's approach to E-Safety and what they are doing as E-Safety Officers to promote keeping safe online. We are very pleased that the main presentation will be led by PC Amy Fletcher who is the Youth Engagement Officer for Crewe's Local Police Unit. She works closely with schools and staff to promote positive relationships between young people and the police as part of the Safer Schools Partnership. PC Amy is also an ambassador for CEOP - Child Exploitation Online Protection centre. They protect children from harm online and offline, directly through NCA led operations and in partnership with local and international agencies.

PC Amy will deliver the workshop and show you examples of how you can help to protect your child when using various electronic devices including phones and i-pads, as well as online gaming and playing on consoles such as X Boxes. You will also gain an insight into the main threats that your child may face when using such technology and an understanding into the main apps and games used by children and young people today.

The event is a parent/carer workshop and we politely ask that only adults attend; we are unable to supervise children on site at this event. Thank you.

I look forward to seeing you there!

Please complete the slip below to book a seat.

Yours faithfully,

Mrs C Bailey  
Computing Lead
