1<sup>st</sup> March 2017

Dear Parents/Carers,

The Year 4 residential is nearly upon us. I know after speaking to the children that they are very excited about the trip and can't wait to get going. Please find enclosed some information that will support you in preparing for the visit.

Firstly, I enclose an equipment list from Standon Bowers. Please remember that we will only be there for one night and this list is for up to 4 nights. Also, please note that we will be sleeping in dorms, not tents and we will not be taking part in any water based activities. The activities I have requested for us to take part in are: archery, bridge building, caving, low ropes and a drumming workshop.

There is also a medical form to be completed. It is extremely important that this is completed within 14 days of the visit and given in to the school office. ***Without this completed medical form, your child will not be able to attend the residential.***

Medication – If your child will need medication during the visit, could you please come into school and speak to me directly. Mrs Bundy will be the adult who will administer any medication.

If you have any other concerns, then please do not hesitate to contact me or the school office. Children will be expected into school at the normal time on the 14<sup>th</sup> March 2017 in their own clothes. We should be back into school by 3:15pm on the 15<sup>th</sup> March 2017.

Yours sincerely

Miss Taylor  
Teacher
