## **Meeting Agenda**

### **1. Play**

‘Play’ is an ongoing agenda item.

Yr3 asked if the old fort area could be observed by an adult as some children felt that there were arguments over the new play equipment.

Yr4- could they have different balls for each class so there would be less arguments over who’s ball it was.

Yr5- more balls.

### **2. Class discussions**

Did everyone get chance to discuss our ideas for recycling and playtimes?

Yr3- last 10 minutes of lunchtime used for litter picking.

Yr4- to have bins with flaps on so that the rubbish stays in during windy days, bins to recycle batteries.

### **3. Recycling**

Moving forward with our recycling project. We all agreed at the last meeting that paper recycling was a good start.

School has a very limited budget at the moment so Mrs Cheadle has asked at a local homeware store for a donation of bins. The children discussed what to put in a letter from the school council to encourage them to donate some bins and get involved with our project. We could offer to include a thank you to them on our school newsletter.

**A.O.B**

We discussed about designing a poster/label to explain what the new bins are for.

**Next Meeting:**

**28<sup>th</sup> June 2023**
