

THE YOUNGEST CHILDREN IN

OUR SCHOOL THRIVING IN

SPORTS WEEK

Monday 12th June

On Monday the sun was beaming down, sun cream was applied, and with sun hats on the reception children entered the field with great excitement ready to partake in the Year 6 multi skills event. Lots of different challenges were set out for them to enjoy. The children showed great determination, despite the heat, in completing each challenge set out in front of them.

Mrs Rogers, the reception teacher, explained that all of the Year 6 activities were very creative and taught the infants new skills

Many more exiting sports activities are to come. Stay updated with our Excalibur Sporting Gazette.
