

Classes Thrive in Multi-Skills Session

Reported by Imogen & Martha. Published June 12th 2023

The reception and Year 6 class at Excalibur Primary School participated in an engaging multi-skills session today, aimed at introducing them to the sport's fundamentals and promoting teamwork. Coached by the Year 6 class, the children eagerly embraced hurdling, skipping and football skills. With laughter and cheers, the young athletes showcased their skills in different activities. This successful session marks a fun step in encouraging physical activity and nurturing the students' holistic development.

Reception pupil, Merida, commented on how good the session was: "I loved the football – I loved kicking the ball into the net."

Another Reception student, Miles, loved the one where they kicked a ball into the crate then needed to balance on them.

The Reception class all stated, "the year 6 class were amazing – they were so kind and helpful."

Sports Week continues for the rest of the week.
