

RECEPTION TAKE PRIDE IN DOING TENNIS

Reported by Emmie in Year 6 | Published June 14th 2023

Reception class did incredible at their recent tennis session as part of Excalibur Primary School's sports week. and their class teacher is very impressed and proud of them. Even though they are the youngest in the school, they showed the coach just how amazing Excalibur Primary School is!

Reception pupil, Bess said, "It was good and my favourite part was the battle time game we played."

Reception pupil, Harley: "I liked throwing the ball in the air and catching it. It was fun."

Reception teacher, Mrs Rogers: "The children did so well and the coach said no negative things about them."

The other year groups are due to take part later in the week and we will inform you how that goes.
