On the second day of Sports Week, the class of reception took part in a fun, exciting tennis session. During this time, the youngsters participated in some small, interactive games. They loved it and thought it was a great way to start their Tuesday.

Reception child, Merida stated, “I liked it! My favourite part was pretending that the ball was my pet and I was taking it for a walk with my tennis racket.”

ANOTHER CHILD, ALBIE COMMENTED HOW MUCH HE ENJOYED BALANCING THE BALLS ON HIS RACKET.

THEIR TEACHER, MRS BEBBINGTON, WAS OVERJOYED ON HOW WELL THE SESSION WENT: “IT WAS VERY GOOD,” SHE SAID. THE CHILDREN HAD LOTS OF FUN AND ALSO ENJOYED IT VERY MUCH. THEY LEARNT LOTS OF THINGS SUCH AS BATTING, THROWING, CATCHING AND SOME BASIC RULES ON HOW TO PLAY A GAME.”

Everyone in the reception class behaved exceptionally with the coach. They all really liked their session at the tennis club. Moreover, if your child wants to start tennis you could go to the tennis court in Alsager.

Many other classes have completed this fun sport, so continue reading to find out all about that. Also, every year we will continue the variety of fun activities!
