## Pre-School Class Newsletter

Term: Autumn 1 Week:

Welcome to our first Pre-school newsletter! The children have made a fabulous start and are beginning to settle really well. We are looking forward to sharing an exciting year with them.

Every day, we select a special helper from the magic treasure chest. The special helper enjoys a variety of jobs and privileges throughout their day, including being the leader of the line and completing the daily calendar. They all really love having these extra responsibilities and take it all very seriously. Remind your child to be patient if they've not been chosen as it will be their turn very soon!

Our nursery rhyme focus has been 'Incy Wincy Spider'. The children have enjoyed performing the rhyme and have created their own spider pictures and models. We found out some facts about real spiders. The children were also excited to go for a spider hunt to explore and find webs.

Thank for your support in helping your child settle this week. On Monday, they may have mixed feelings about coming back to Pre-school. They will have spent a lovely weekend with their families and playing with their own toys.

Top tip: Help them prepare by reminding them that they will see their friends again and have lots of lovely new things to learn. Young children also gain security from knowing who is going to collect them at the end of the day and whether or not they are going to Treetops. This can help them enjoy their day worry free.

Excalibur Pre-school

Have a great weekend and we'll see you on Monday!

Mrs Cheadle, Miss Dugmore and Mrs Thompson
