Dear Parent/Carer,

National Media Museum Trip – Year 6

We are delighted to announce that we will be taking a Y6 class trip to the National Science & Media Museum in Bradford on Monday 22nd January 2018.

Part of the Science Museum Group, the museum will offer a fantastic opportunity to launch our “Lights, Camera, Action” topic in a hands-on and exciting way.

During the visit, we will be taking part in an animation workshop, where the children will create and film their own animations. We will also be going into the Wonderlab, an interactive gallery showcasing the science behind light and sound. The museum also hosts several galleries which we will have the opportunity to visit. These include: the Kodak Gallery, where the children will learn about the history of photography, the forerunner to the motion picture; the Animation Gallery, where original models from dozens of classic shows (including Wallace & Gromit) can be found; and the TV Gallery, where the children surround themselves in the history of TV advertisements and iconic moments in television history.

To make the most of the day, we will be leaving school on the coach at 8:30am, so please arrive at school by 8.15am. We will aim to leave the museum at 3.30pm and hope to be back at school at approximately 5.15pm. A packed lunch in a disposable bag will be required, no fizzy drinks or glass bottles please. The children need to wear normal school uniform.

Cost for the trip will be £17.70, this includes a £6.25 entrance cost, with the rest being travelling costs. As you know, we always ask for a voluntary contribution. Unfortunately, if this voluntary contribution is not forthcoming then the visit will not be able to take place. Please pay and grant permission on ParentmailPMX or complete the permission slip below and return to school with the appropriate money by Thursday 18th January 2018.

Many thanks
