### Reading Project

Dear Parents/Carers

Following the success of the Reading Project, we have decided that it would be a valuable and exciting opportunity for the children involved to continue to access Alsager library in their small group. Although part of the reading project was to visit the library, this was only for 5-10 minutes before the group work began. Each week, the children really enjoyed their time in the library and expressed that they would like more time there to choose, read and share different types of books with their friends.

Because of this and to keep the children's interest and enthusiasm for reading alive, we would like to be able to take the children to visit Alsager library at various points during the rest of the academic year. Due to staffing, there will not be a regular day or time slot when these visits will occur. Instead, whenever there is an opportunity, we would like to be able to take the children to the library for an hour during the afternoon.

If you would like your child to take part in these library visits then please grant permission on ParentMail or alternatively complete the permission slip below and return it to school as soon as possible.

Yours Sincerely,

Mrs Bailey

Teacher
