## Another successful Bake Sale

A big thank you from all of the committee members for your amazing donations.

The weather was definitely on our side on Friday 28th September, for our Autumn Bake Sale, we were wowed by the amount of generous donations made for this event, with some very talented parents and children producing some astounding creations.

As a result of your donations we raised an fantastic £213.10 towards our target.

Parry and Corey's Winning Cake.

Well done boys for this stunning Mickey Mouse cake, next stop British Bake off

## Thank You

I would just like to thank the amazing team for all their hard work.

## Ice Cream Monday

Over the last few months we have been selling Ice Creams on the playground on a Monday after school. This has been a great little extra to our fundraising this year, raising over £600 to date.

Ice Cream Monday will continue until October half term.

## “We won this fantastic bounce disco for our children”

Well after a very tense two days, you all pulled it out of the bag and won for our children this fantastic bounce disco. We will be using this in the Summer at one of our summer events.

Thank you to Helen Kavanagh for finding the competition and nominating the school.

## Christmas Cards

Last week a piece of card came home with our children for their Christmas Card Design. We want your children to use their creative talents to design their own Christmas Card again this year. Children's designs have to be back in school by Friday 12th October, any designs returned after this date will not be submitted.

Once they are scanned you will be informed so that you can head over to view and purchase your son or daughter's design. They will be available for a limited time so don't leave it too late. Products will be delivered to school on the week commencing 22nd November so you will have them into plenty of time to beat the Christmas post. Please remember though NO GLITTER 😊.

*Finally once again on behalf of all the FOE team, thank you all for your continued support.*
