Pre-school Class Newsletter

Term: Autumn 1 Week: four

Another fabulous week has flown by in Pre-school! What a lot of fun we have had. The children are letting us know what their favourite activities are and it's lovely to hear them requesting different things. They have all settled really well and are confident to let Pre-school staff know when they need help with something.

This week, the children have experienced a variety of activities planned around the familiar Nursery Rhyme 'Hickory Dickory Dock'. The children have been listening carefully to instructions to put together a shape mouse, they have used the 'dotty dabber' paints to decorate Hickory Dickory and have tried to steer scissors to cut along a line. During our PE time, the children loved joining in with parachute activities and using the small apparatus. In Number Time, the children have loved helping hold number props as we sang different counting songs including '5 little speckled frogs', '5 little men' and '5 current buns'.

Excalibur Pre-school

Remember to ask if you have any questions. Have a fantastic weekend!

Mrs Cheadle, Miss
Dugmore, Miss Scott-Jones
and Miss Bebbington.

A reminder that Pre-school children need...

- A named bottle filled with fresh water (preferably not juice).
- A small snack for afternoon break.
- A waterproof coat.
- A pair of welly boots (to leave at pre-school).

On **Wednesdays**, we have 'Music & Movement' in the school hall. The children are welcome to bring pumps or trainers to change into.

On **Thursdays**, the children will visit the library so need to bring their zippy wallet (provided by pre-school).
