Term: Autumn 1 Week: six

Pre-school have been brilliant this week. They were very well behaved when we had a visit from a poet. It was National Poetry Day on Thursday 3<sup>rd</sup> October so Andy Tooze came in on Monday afternoon to deliver workshops across the school. The children certainly made us feel proud. Well done, everyone!

This week, pre-school have enjoyed singing 'Hey Diddle, Diddle'. We laughed about the dish running away with the spoon! In PE, the children have loved played 'Dance and Freeze' to warm up. Later, they worked with a partner to aim and throw a soft ball through a hoop. This week, the children have done lots of printing. They have printed with their hands, their fingers and with apples and leaves. The children learnt to keep the printing object still to leave the best print. During PSHE time, we looked at Sidney's well-being box. He really enjoyed showing the objects and photos to the other children. Remember, well-being boxes can be sent in when you've had chance to complete the activity. Details were sent out over Seesaw but please ask if you have questions. I am sure that now we've shared one box the other children will be pestering to make theirs!

A few dates for your diary...
