

14th February 2025

Excalibur Primary School

Term: Spring 1 Week: Six

Reception Class Newsletter

What a brilliant story to end our half term, 'Naughty Bus' by Jan and Jerry Oke. We love the playful layout and photographs in this story. There is just so much to talk about. We drew our own red buses and used them to create some transient artwork. Transient means that the pieces we used aren't stuck down and can be easily moved. We took photographs of our finished artwork and it is now on display in the Classroom.

Mystery Reader

We would love to welcome you as a mystery reader to our Class. If you've not had a turn or would like another go please let us know.

Super stars

Well done to Alfie and Alyssia our two stars of the week

Congratulations!

Please take some time if you can over half term to watch some of the videos that were sent home a few weeks ago. The QR codes on the sheets your child was given should still work. Any problems please let us know.

Vocabulary of the week

Disobey, surprise, splatter, crimson, sticky and impatient.

Maths

We have explored doubling, both recognising doubles and making doubles. We have also talked about more and fewer.

Dates Ahead:

24th February – back to school

6th March – World Book Day (letter sent out)

20th March – Reception trip to the Hat Museum, Stockport.

2nd April – Once Upon a Time Ball (dress as a princess, prince, king, queen or knight for the day) details to follow nearer the time.

4th April – finish for Easter

PE kits

PE kits were sent home on Wednesday for washing and checking. We do our very best to encourage the children to keep their clothes together. However, 30 children in the classroom, getting changed together, does mean that sometimes things go astray. A lot of PE kit is still unnamed which makes it really difficult for us to give to the right person. Please take time to check the items in your child's bag belong to them and return anything to school that has made its way in there by mistake. Many thanks.

Have a wonderful half term from the EYFS team
