4th June 2019

Dear Parents,

RE: Wrap Around Care

I am writing to inform you that from September 2019 Excalibur will be offering the before and after school care for all children at the school. This will also include holiday club provision, which can be booked at times to suit you throughout the year.

I would like to take this opportunity to thank Kirsten Forster and Sue Stanway for the many years of wrap around care provided to our families. The current Whizz Kids staff will become employees of Chancery Multi Academy Trust which means high quality provision will continue to be offered in the same way. The times, costs and accommodation will remain unchanged at this time.

I have attached a booking form should you wish to secure your place for September.

Many thanks for your continued support.

Yours faithfully,

Lise Houldsworth
Head teacher
