

## Reception Class Newsletter

Some of our learning this week has been based around the story of Goldilocks. The children have enjoyed listening to lots of different versions of the story and comparing how they are similar and different. They also have really enjoyed acting out the story using props. We also undertook two investigations; 'What Makes Porridge Taste Nice?' and 'What Makes a Bed Comfortable? During our time in the hall we undertook a Goldilocks themed dance/drama session. Next week we will be reading different versions of the 'Three Little Pigs'.

### Read Write Inc. Phonics

Thank you again for all your wonderful support at home, with both the key rings and the RWI books. RWI books should be read again at home at least 3 times if you can. Sometimes it may be necessary for children to re-read books, in order to consolidate knowledge before moving on. This is quite normal, please don't be alarmed if your child brings home a book they have already read.

### Writing

We are also extremely proud of everyone's progress in their independent writing. We are looking forward to sharing with you what your child can do at our upcoming parent & Carer meetings. Either before or after your appointment you will be able to look through your child's books which, together with our posts on Seesaw, will give you an overview of what your child does at school.

Everyone looked fantastic in their World Book Day outfits. The children enjoyed showing their friends what they were wearing, talking about their favourite stories, listening to our visiting author, buddy reading with year 6 and the book hunt.

*Have a weekend from the EYFS team*
