Dear Parents/Carer,

Christchurch, Alsager have invited our Key Stage 2 children to take part in their 'Key to Life?' project on Wednesday 3rd July.

This is a purpose-built vehicle which provides a large interactive learning space with floor-to-ceiling touch screens, making the learning a fun experience that is different to a traditional RE lesson.

Children will need to be wearing their school uniform. They will also need a snack, water bottle and a packed lunch.

We will be using coaches to transport the children to and from Christchurch on the day. We will be departing at 9am and the children will return in time for the end of the school day so usual home time arrangements will apply.

Could you please grant permission on ParentMail or alternatively sign the permission below and return it to school as soon as possible.

Yours sincerely,

Mrs D Rogers
RE lead
