27th June 2019

Dear Parents/Carers,

We have something very exciting happening throughout the school next week!

As part of our Global Learning project, which enables the children to develop a wider understanding of the diverse world that they live in, the children (Y1-6) will be flying around the world during our "Passport to the World" week!

Throughout the week, the children's learning in the morning will take on a "Global" theme and then in the afternoons, the children will "visit" a range of countries and take part in a range of exciting arts-based activities related to that country.

As part of Passport to the World week, some children will be tasting food from different countries. If you have any concerns about your child tasting items, please contact your class teacher.

Please keep an eye on the website to see what we have been up to and where we have travelled to!

We hope this will be a memorable, fun and educational experience for all!

Yours faithfully,

Miss Taylor
