

EXCALIBUR PRE-SCHOOL

PARENTS' INFORMATION PACK

WELCOME

Our Pre-school offers a stimulating and enriching environment for all our children, giving them the best learning opportunities and experience to help each child reach their full potential.

MISSION STATEMENT

Excalibur Pre-school aims to provide children with a safe, caring and stimulating environment, enabling them to achieve their full potential. We place a strong emphasis on learning and development through play, acknowledging individual skills and abilities.

AIMS AND OBJECTIVES

At Excalibur Pre-school, we promote a multi-cultural Pre-school setting which meets the child's social, physical, educational and emotional needs through play and learning opportunities. We provide a welcoming and nurturing environment, encouraging each child to thrive, while building a positive self-image and confidence in their abilities.

We recognise and support parents as their child's first and most important educators, and to welcome them into the life of the Pre-school. Our aim is to develop an honest, open and supportive relationship with you which compliments life in your home.

SETTLING IN PROCESS

We aim to ensure your child's introduction to our setting is as stress free as possible. Once your place has been offered, you will receive a full welcome pack.
