

27th September 2019

Excalibur Primary School

Term: Autumn 1 Week: four

Reception Class Newsletter

This week the children have been busy learning about their bodies. We talked about what's inside our bodies under our skin and we began to think about our senses. We played some games where we had to use our noses, ears and hands to help us.

In maths, the children have been busy counting and saying number names in order. We have been thinking about 2D shapes and even went on a shape hunt around school. We continued with our Numberblocks maths as we thought about 'one and another one'.

F-r-e-d We have begun our phonics program, Read, Write Inc. with the children. They have been learning the sound and formation of letters m, a, s, and d. The children have also been introduced to 'Fred the frog' who can only use Fred talk. We have been segmenting and blending simple CVC words such as m-a-t mat, s-a-t sat. The children have made a good start.

Super stars

Congratulations to Tobi and Inaaya who are our stars of the week. Keep up the hard work!

Our VIP's for Friday lunch were Alice and Symphony
Well done, what super manners!

Welly Walk

Thursday 17th October- 'Reception Welly Walk'- The letter has been sent out so remember to give consent and let us know if you are willing to volunteer help on the walk. The more the merrier!

This week the children have been busy sharing their treasure boxes. It is a wonderful way for us to get to know the children more individually. They were so excited to share their photos and keep sakes. They all had such a lot to tell us! Thank you so much for your efforts with the treasure boxes. We will be sending them home as soon as we can.

A great big thank you!

On Monday we asked that the children come into school on their own. This was a big step and they have all risen to the challenge. Thank you for all your support in making this a successful transition into school life!

Have a great weekend,

Mrs Rogers, Mrs Bailey and Mrs Thompson
