6th May 2025

Dear Parents/Carers,

To celebrate your children's learning in geography and history, we are holding a special showcase event on Monday 19th May 2025 at 3:30pm until 4:00pm.

You are invited to attend Excalibur's very first museum showcase. This event will give you an insight into the learning your children have undertaken during the spring term. Each child will work in small groups to prepare an exhibit in the form of a poster or other visual method.

Then, on the 19th May, your children will be able to show you around the exhibits within their own classroom. During this session, your children will take on the role of museum curators and will talk to you about their learning, enabling you to explore the topics with them. We encourage you to ask questions about their learning during this time.

To ensure this event runs smoothly, children will be dismissed to their parent or guardian at the usual time. Please then come back into school to participate in the museum showcase at 3:30pm. Children who are at Treetops will get the opportunity to visit the museums after 4:00pm.

We hope you enjoy the opportunity to share your children's learning with them.

Yours sincerely,
Mr. D Hancock and Mrs. C Bailey
Geography and History Subject Leads
