

6th June 2025

Excalibur Primary School

Term: Summer 2 Week: One

Reception Class Newsletter

Our book of the week, 'Amazing Aeroplanes' really helped set up our final half term of learning. The children have been excited to share their experiences of travel either by plane or other means. They have also drawn and built some wonderful aeroplanes of their own as well as made passports, boarding cards and luggage labels. They have also enjoyed packing a suitcase to a variety of destinations around the world.

Butterflies and Tadpoles

We said goodbye to our butterflies as it was time to set them free. They didn't take much coaxing, they were quick to leave us. We hope that they will go on to lay eggs and begin the cycle again. We also said goodbye to our tadpoles too. They have grown so much and are now beginning to change so it's time to release them back into the wild. They are being released into a member of staff's pond and she is going to keep us updated of their progress.

Vocabulary of the week

Entertain, flung, soaring, force, anticipate and bumpy. Which words can you use at home?

Dates Ahead:

Tuesday 10th June – Reception visit Runway Visitor Centre

Thursday 19th June - 9am Reception Class assembly. Invitation sent out today.

Tuesday 15th July - Pirate Party Day (details to follow nearer the time).

TBC- Reception visit to Wesley Place

Super stars

Well done to Bobby and Amelia our two stars of the week

Congratulations!

Maths

Are these amounts equal? Have these been shared fairly? What can we do if we can't share equally? These are some of the questions we have asked ourselves in our maths learning this week. On Seesaw there are a few home learning challenges that will help deepen your child's understanding.

Next week

We are very excited about our trip on Tuesday to Runway Visitor Centre. Look out for some information on Seesaw to help the trip run smoothly. On Wednesday we will be visited by a Ryan Air pilot. He will be talking to the children about his job and they will be able to ask him questions about his role.

This week all children on the RWI programme have been assessed. Some children are ready to move onto a new colour (they will bring this book home the week after week), other children need a little longer to consolidate what they know before moving on. **EVERYONE** has made super progress. Thank you so much for everything you are doing at home.

Have a wonderful weekend from the EYFS team
