

Reception Class Newsletter

Our understanding of life cycles continued this week through the wonderful Eric Carle story, 'Mister Seahorse'. We found out that baby seahorses are called fry or hatchlings and that the Dad carries the eggs in his pouch until it is time for them to hatch. The arrival of some ripening strawberries has caused quite a lot of interest in our outdoor garden. It's lovely to see the children using the herbs that we planted in our outdoor kitchen as they cut, chop, mash and mix. The children have also created a giant underwater sea, adding seahorses painted in the style of Eric Carle. Other children have used malleable materials and loose parts to create seascapes featuring seahorses.

Assembly

Thank you to everyone who was able to attend our class assembly yesterday. I am sure you will agree the children did an amazing job. We were so proud of them. There were a few nerves on the day, which is only to be expected, especially for such young children. They really enjoyed sharing their favourite memories and putting it together for you.

Cardboard tubes!

We urgently need cardboard tubes again. They are always used very quickly when we get any in! If you can send any in, we would be very grateful.

Deadheading

We would welcome any dead headed flowers to use in our outdoor kitchen area.

Super stars

Well done to Oliver and Collette our two stars of the week

Congratulations!

Transition

We welcome some of the new reception class for their first visits next week. We know that the children are going to do a super job of welcoming them and showing them around the environment.

Dates Ahead:

25th June- Reception visit to Wesley Place (letter sent out)

Wednesday 2nd July – Reception family lunch (Letter sent out)

Tuesday 15th July - Pirate Party Day

Pirate Party Day

On Tuesday 15th July your child is invited to dress as a pirate for the day. They don't need a special costume unless you have one or want to get one. A t-shirt and shorts is fine. Children are allowed to bring toy swords in. These will be carefully managed! We will be playing some pirate themed games, completing pirate themed activities and having a special snack. Allergens will be sent out nearer the time. If you have any questions, please don't hesitate to ask.

Have a wonderful weekend from the EYFS team
