Dear Parent's, Carers

Welcome to the start of a new school year! We hope you had a lovely summer break and are looking forward to the exciting year ahead. In Pre-School, a weekly letter will be sent out to let you know what your child has been doing. We also add photographs onto Seesaw as well. Children can sometimes forget what they have done during the day this will hopefully help to give you an insight. The letters may also include reminders of special events or requests for things to be sent in. Please log on to your child's Seesaw account if you haven't already done so.

Belongings

Thank you to those Parents who have labelled all your child's belongings and are supporting your child's independence. Please continue to support this through out the year.

Snacks and drinks juice

Just a reminder please could you provide your child with just one healthy snack for the afternoon session. New statutory guidelines for Early Years settings, identifies children to have access to water throughout the day. Please send your child with a named water bottle and it can be refilled up when required.

Preschool superstars

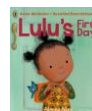

What an amazing week we have had in Preschool.

All of the children have settled extremely well and it has been lovely to watch them building new friendships with each other.

Environment and friendships

The children have been extremely busy in exploring the newly developed classroom environment. They have had lots of fun exploring the new areas whilst building friendships with new and existing children. We have also been sharing the book 'Lulu's first day at Nursery'.

Outdoor play

In Preschool we will be introducing more outdoor provision within our daily routine. Please can you provide your child with wellingtons and a waterproof coat so that they can explore and continue the learning beyond the classroom.

Finally,

It has been a pleasure getting to know the children. I can't wait to take them on a journey of adventures with myself, Mrs Johnston and of course Miss Dugmore.
