Pre-School newsletter

Week 2: 11.09.2025

Dear Parent's, Carers

What an incredible first week we had last week. The children have settled well into the new classroom environment and have been making lots of new friendships. We have been making the most of the weather and have been enjoying lots of exciting activities in our outside area.

We will continue to post onto Seesaw so if you haven't already, please log on to your child's Seesaw account to see what your child has been doing. Also, just a reminder, don't forget to share your experiences at home so your child can share them with their peers.

Belongings

Thank you to those Parents who have labelled all your child's belongings. We are encouraging the children to put their belongings in their tray or in their bag. If they attend Tree Tops, they will need to put their belongings in their own bag. Please can you remind them of this please.

Snacks and drinks

Please can we ask if you are sending your child with grapes that they are cut up length ways in order to keep the children safe. Also, when providing your child's snack in the afternoon we kindly ask that your one snack is a healthy option and that water is provided to. New statutory guidelines came into force in September and your continued support will help us to implement this with in Pre-School.

Phonics

Next week we will begin our journey into phase 1 phonics everyday. We will begin working hard on using our listening ears to help us to tune into sounds all around us.

Quality story of the week

This week at Pre-School we have been exploring the book 'Marvellous Me'. As a class we have been celebrating our own special qualities and the things that we are good at.

We also enjoyed sharing children's achievements on Seesaw and this is helping to support the children's confidence in orally speaking.

Outdoor learning

In Preschool we will be introducing more outdoor provision within our daily routine. From next week we will be introducing weekly Forest School sessions so please provide your child with wellies and an outdoor coat. The days will change each week so that all the children can benefit from outdoor learning.

Finally

What an amazing week we have had in Preschool. It has been so difficult to choose our 'Stars of the Week'.

This week we have chosen **Elisha and Henry**. Well done everyone. We cant wait to see who it will be next. Have a lovely weekend.

From Mrs Johnston and Miss Dugmore
