If you are not already a member of the Parents and Carers Facebook page and wish to join, then please let us know. It is a closed group which is used as an information, questions and answer forum for school related things. Many Parents find it to be a useful resource.

You can email your facebook login email address to me. Sarah at slou44@yahoo.co.uk and I will add you to the members list. This is not associated with the school itself it is purely for parents by parents.

Threat Trip

This year we have put some of our fund towards a theatre trip for the whole school. We hope that your children have enjoyed it as much as ours!

The feed back from the Teachers was one of great pride and pleasure to see all the children gaining a great learning experience that will then be carried on into their lessons. And to say that they were all very well behaved would be an understatement.

As parents we should be very proud of our children.

The coach trip to *Manchester Christmas Market* was well represented raising £190.00

We are looking forward to organising this again this year so keep it in mind if you fancy doing a bit of shopping or just having a day out, then this could be the event for you. Keep an eye out for details
