Newsletter 10

Dear Parents/Carers,

During times of uncertainty, it is more important than ever that people stay connected. With that in mind, I will be sending a weekly newsletter to update and share with you with any news, developments and noteworthy events!

School Closures

I would like to extend a huge thank you to all critical workers who have managed to make alternative arrangements for childcare. Whilst I appreciate it is not always possible, your consideration and, in some cases, creativity, is truly valued.

On Line Learning

As you will know, there are daily lessons available on our website. As well as these, the children have all taken home a pack of additional work. Class teachers will be monitoring the on line work that is being completed. The packs of work should be completed and brought back into school when we return.

Blogs

Keep a watchful eye on the blog section of our website as there will be messages from all staff that we hope both adults and children will respond to. We are looking forward to many virtual conversations with the children!

News from Home

We would love to keep up-to-date with what everyone is getting up to at home. Please email in any pictures, videos or messages about what the children are doing. We will put these on our "News from Home" section on our website.

Support and Useful Numbers

The global crisis in which we find ourselves is unsettling and, for some, frightening. Please be reassured that you are not alone. If you have any worries, concerns or just want to get in touch, school can be contacted at any time of day through our email:

contact@excalibur.cheshire.sch.uk
