

Reception weekly newsletter – Friday 3rd July 2015

This week we said goodbye to our butterflies. Much to everyone's amazement all 5 hatched successfully! After watching them for a couple of days we set them free. One of them, whom Bronte had named Miss Harding, seemed reluctant to leave us, but with a bit of gentle persuasion it did eventually go!

Your help and support with sunhats and water bottles was very much appreciated this week. The children have coped brilliantly with the whole week. They were very sensible listening to us telling them to stay in the shade, keeping their hats on and drinking copious amounts of water! We have lost count of how many times the water bottles were refilled. But it was all in a good cause as it helped us in the heat and with all the sporting activities. This week we have done cricket, hockey, fencing, football skills, team building,

athletics, multi-skills, zumba, yoga, ball skills and parachute games! (I think that's everything!) As well as listened to the fantastic Rich Parker who talked to us yesterday about his skating career and undertook the sponsored event. We have had an amazing week with some fantastic coaches. You can find out more by

looking at the Excalibur Blog.

Homework and key rings are being collected in on Wednesday 8th July. We collect the key rings in over the summer as Year 1 has their own system for learning these words. If you wish to keep practising the words over the summer break they can be found in your child's planner towards the back.

We had two mystery readers this week Kaloyan's Mum was our mystery reader yesterday and on Wednesday we invited Miss Robinson, who will be the Year One teacher next year, to read the story. We aim to get her to pop in as much as she can over the next two weeks. The children will get to spend the morning with her next Wednesday. They will come into our classroom as usual and will go for their visit once they are settled.

There are no stars this week as it is sports week but congratulations to Evie and Rose who sat on the VIP table today to eat their lunch!

Thank you as always for your support,

Mrs Rogers, Mrs Newbould and Miss Harding
