7th October 2020

Dear Parents/Carers,

As part of your child's learning within the subject of geography, we are planning to go off-site on Wednesday 21st October to enable the children to undertake geography field work. This will include the following:

- Traffic survey
- Wildlife survey
- Plant sampling

The majority of the session will take place on the fields near Fanny's Croft and Milton Park, including the nearby local footpaths depending on the weather. We will go out for a session in the morning and a session in the afternoon. We will return to school for lunch.

Please grant permission on ParentMail by Friday 16th October 2020 if you would like your child to take part.

Yours sincerely,

Mr Hancock
