

# Radway Community Group

Hello everyone. We are the newly formed **Radway Community Group**. We have been supported by Plus Dane Housing, Cheshire East Council and Alsager Partnership. We are a local residents group who we meet with on a monthly basis with the aim to help develop services on the estate and empower the community to participate in positive activities. We have already set up a number of free activities at the Radway Social Club for local residents to get involved in. We have also developed a Facebook Page '**Radway Community Group**' which has over 140 members; it's a brilliant online community which contains all the latest community development news.
