2.00pm – 4.00pm – Inflatable Swim (Olympic Run)

Tuesday and Thursday Splash 'n' Crash (£10 per child)

This is an unaccompanied session for children aged eight up to and including school year eight. Adults are not allowed within this session.

Come along and enjoy our famous splash 'n' crash with your friends. Structured activities allow your children to be dropped off and have fun in the sportshall on the "jump in jungle" inflatable or play a variety of sports including badminton, football, basketball and many more. They can also use the pool throughout the day and see if they can break our fastest time on the "Olympic Run" inflatable against their friends. Upstairs in the bar area is the "Nintendo Wii" where you can sit back and relax

Make sure you bring your packed lunch and swimwear! Children will be under staff supervision in all areas 10am-3pm where structured activities will take place.

Slippy Ship Inflatable Swim

(Normal swim prices apply, free for direct debit swimming lesson children)

This session includes toys and floats in the pool along with our smaller inflatable. The "Slippy Ship" inflatable will be anchored in the shallow end and is suitable for children below the age of eight. Children eight and above can still come to this session but will not be allowed on this inflatable due to safety reasons.

Olympic Run Inflatable Swim

(Normal swim prices apply, free for direct debit swimming lesson children)

This session includes toys and floats in the pool along with our dual run inflatable obstacle course. The "Olympic Run" inflatable is suitable for children who can swim one length (25 meters) of the pool without stopping and are under the age of sixteen. Adults unfortunately are not allowed on the inflatable due to safety reasons.

Admission Policy

- **The ratio of parent supervision for all children under the age of eight (public swimming) is 1:2.**
- **However, children under the age of 4 years must be accompanied by a parent on a 1:1 ratio, unless the children under the age of 4 are wearing suitable flotation devices.**
- **Circumstances (such as the presence of flumes, wave machines, inflatables, water slides, fast river rides etc.) may also require a 1:1 level of supervision and this will be clearly advertised for any sessions where this is a requirement.**
